What did you like most about the course design?

¿Qué le gustó más del diseño del curso?

5 responses

It is very complete.

The layout of the course is very organized and makes it easy to find the assignments.

How easy the assignment was and the fun it caused by dragging texts to make sentences.

Modules and lessons are clearly organized and divided.

Es facil de entender.

What changes would you recommend before launch?

¿Qué cambios recomienda antes del lanzamiento?

5 responses

I would organize it by week.

None because I am a visual learner and the way the assignments are set up made it easy to access and complete.

I recommend already having a copy for the students incase they don't know how to make one themselves.

Simply change the description of the "Vocabulary Practice (Quizlet)" as an activity instead of an assessment, other than that the course is well developed.

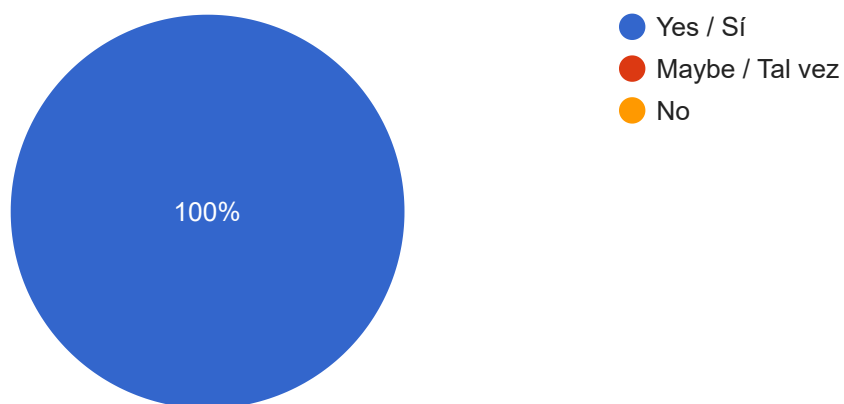

Asegurarse de que las ctividades funcionan corectamente para no perder tiempo de clase tratando de solucionar problemas de coneccion.
